## Low Profile (LP) White LED Fixture

Highly Efficient LED fixtures utilizing state of the art miniature LED modules. With a smart, compact design the Low Profile (LP) LED provides users with another off the shelf, simple LED solution. LP fixtures are easily concealed, simple to install, and available in 1' to 8' sections.

### LP LED Series Application

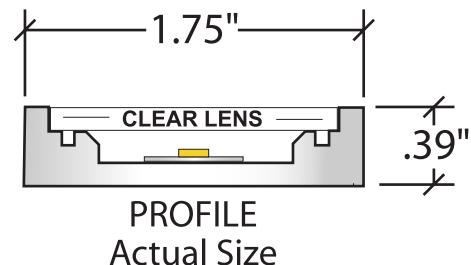

- Task Lighting
- Cove & Accent Lighting
- Shelf Merchandise Lighting
- Valance Lighting
- Under-Cabinet Lighting

### LP LED Series Fixture

- Super Compact Design
- Sealed & Tamper-Proof
- Variable Light Output
- Simple Installation

### Solid State LED Lighting

- 50,000 Hour Life/5 Year Warranty
- Low Voltage 10.5 Volt DC
- Uniform Illumination
- Superior Energy Efficiency
